

Welcome to the Grillhouse!

The Good Old Days have returned with the friendly and comfortable dining at the Grillhouse and at the Charcoalburger Drive-in.

Enjoy a feeling of nostalgia for a bygone era with 1950s-style seating, charming antiques, and fun automobiles. Ample parking rounds out the yesteryear experience.

Have a drink at the bar, enjoy a hearty lunch or dinner, or relax on the patio. Our full salad bar is the perfect compliment to one of our hand-cut steaks, seafood specialties, or delicious sandwiches.

Our "glad you're here" attitude means you'll always be welcomed and treated like family!
